

# 4 PC. MICRO HOOK & PICK SET

PART NO. 31098

Introducing the new Mayhew 4 PC. Micro Hook & Pick Set. This set features a straight pick, 90-degree bent pick, dual angle pick, and a micro hook. Each shape, bend, and angle has been specifically designed for ease of access into tight areas or unique spaces. These tools are ideal for providing leverage in close quarters, positioning and retrieving various components, and can easily maneuver around troublesome obstacles. This set can be utilized for numerous uses, including automotive applications such as the removal or adjustment of hoses, moldings, clips, clamps, seals, O-rings, cotter pins, and gaskets. This set is made in the USA and backed by a Lifetime Warranty.

**Material:** Handle is made from high-tensile strength Nylon 6, known for its toughness and resistance to abrasion and damage.

PROUDLY MADE IN USA  
FOR OVER 160 YEARS
